Another Farewell:

Sadly, we are bidding farewell to Janice & Gene Stoudt today, as they move to the Tampa area. They have been with us around 13 years and we have appreciated their love and help in so many areas. We wish them well and to be able to locate a new church family, as they settle in to a new home and careers there. Their address will be: 800 Bahai Del Sol Unit A, Ruskin FL 33570; their emails are listed also, so keep in touch: gene.stoudt@gmail.com and janice.stoudt@hklaw.com

This is also the last Sunday with Amanda Underwood & Chase. Be sure to see them!

Another Senior:

Sadie Gruber, granddaughter of Jim & Marion Clouser, is graduating Summa Cum Laude this month from Leon High School. She has been awarded a scholarship to Florida State University in the Honors Program. Best wishes to Sadie, who attended Timberlane as a child. We know her family is very proud of her accomplishments. [Sadie's picture was in the Democrat this past Wednesday for those who would like to see her as she is now.]

Retirement:

Congratulations to **Steve Conner** (and Amy, Aiden, Owen) on his upcoming retirement from the US Army after 24 years of active duty. Steve & Amy have been in Tallahassee and at Timberlane four years while Steve worked in the ROTC program at Florida State University. His official retirement date will be September 1, but his last day of duty will be May 27. He will be part of the upcoming mission trip to Panama, and then begin searching for a job locally. Be praying they can stay in Tallahassee so they all can continue to be a vital part of this church family!

Thank You:

We want to express our appreciation to Jason Meadows and sons Ethan & Ty and to John Stitely for replacing all the bulbs in the auditorium. Their efforts have increased our ability to see much better now! Thank you!

CFS Report:

Thanks to everyone who filled baby bottles or gave checks to Christian Family Services for the annual fundraiser. CFS reports that \$6,238.58 was contributed by their friends from Timberlane.

Mt. Dora Change for Children:

The Change for Children cans from Mt. Dora Christian Home and Bible School are in the foyer. Four of Mt. Dora's graduates have been accepted to college—3 to Faulkner and 1 to a state school. Let's empty our pocket change into a can each evening to make a change in these student's lives. Please direct questions to Ron Poole.

Timberlane Youth Group Request:

The Youth Group is looking to raise \$2,000 to help with the big upcoming summer trip. The cost of everything involved has increased this year, causing a burden on some families. See Mark with your donations—you are much appreciated!!

Amanda Marie Dennard

2016 Scholarship Award Recipient

17 year old Mandy
in 1994

Mandy Dennard was a beautiful and spirited 17 year old, restless and eager to step into adulthood when she passed from this life in September 1994. She had a strong, determined spirit and never minded going up against the odds when she believed she was right. She was also intensely loyal to and deeply involved with those about whom she cared. She was always willing to offer help and advice to those who came to her. Even at her young age, it was important that her life mean something.

In honor of Mandy, her family established the *Amanda Marie Dennard Scholarship Fund*. This fund is administered under the oversight of the eldership at Timberlane Church of Christ, with the intention of providing a one-time monetary award each year to a deserving Christian high school senior to assist with his/her future educational goals.

This August, Mandy would have been 39 years old. Though time has passed so quickly, it is also as if time has stood still when it comes to Mandy. She was part of the youth group, she participated in Lads to Leaders, and though she did not even reach 5 feet tall, she was a huge personality with a smile to match! Everyone loved her and has missed her all these years. We look forward to

being with her again in eternity. She no longer needs our help to reach for the promises and to struggle with the problems of this life; it is our family's hope that through this award, we may in some small way help to smooth the path to adulthood for some other deserving young person each

year, and by doing so, continue to share with others Mandy's loving spirit and bright memory.

Suzanne Adams and family

2016 Recipient
Rebecca Ann Weitzel

Congratulations, Class of 2016

Craig Collins II

Craig Geoffrey Collins II was the first son and the first grandson on the Collins side of the family. He was born in Harlan KY in 1998 and from there went to Knoxville for 2 years, then Fayetteville TN, then to Kentucky. Daddy Craig preached all those places and had a construction company where young Craig would go work with Daddy and Grandpa. The family moved to Tallahassee in 2009 when Craig was in the 6th grade. He loves baseball and football, enjoys going mudding, hunting, frog gigging and hanging out with his friends. His future goals are to go to TCC to earn his associates degree, then go to the Sheriff's and Deputy Academy to become a Sheriff.

Aaron Coggins

Aaron attend Lincoln most of his high school years. This last semester he decided Leon county virtual school was a good way to finish his schooling, with just one and a half credits to complete. This way he could work more, and move out with his high school buddy into an apartment. His plan is to attend TCC for his associate degree before moving on to FSU. As of now he's entertaining the idea of engineering or architecture. Aaron loves to be on the water whether it's fishing, swimming, boating. He loves motorcycles, skateboarding or bicycling. Camping and traveling rounds out what he likes to do. Aaron has been active in the youth group going on service trips, camp and Lads to Leaders. Aaron is the son of Greg & Jackie Coggins.

Kalen Colwell

Kalen Blake Colwell has been attending Timberlane since his family moved to Tallahassee fifteen years ago. He was an energetic little boy who loved to play outside in the dirt with his cars, monster trucks, and any tool he could find in the garage to dig with. Kalen has a sweet, funny, and caring personality and you might just hear his favorite phrase, "It's a free country", when you talk to him.

Kalen has participated in football and was a member of the fishing club at Lawton Chiles High School, and was a avid baseball player for ten years prior to high school. Kalen has participated in Good Samaritan, Bible Bowl, Puppets, and Song Leading at Lads to Leaders. He is an active member of the youth group, going on Mission Trips, to Mount Dora, Raintree Village, Rainbow Omega and many other service projects in Tallahassee. Kalen plans on attending Tallahassee Community College to major in Criminal Justice and eventually be a part of the Florida Wildlife Commission or a similar organization. Kalen's non career goals include continuing to grow in his relationship with Caroline Parker and pursuing dreams of exploring together all the eastern Tennessee region has to offer.

Kennedy Davis

Kennedy Carmela Davis is a funny and loving person who enjoys being with her friends and family! She is very outgoing and a firm believer in her faith and Christian values. While maintaining a 3.5 GPA at Florida State University School and dual enrollment at TCC, Kennedy discovered she had a love. During her sophomore year, she became a member of the FSUS orchestra (she plays the cello), sings with the chorus, and most recently, played the part of Belle in the high school musical production, "Beauty and the Beast". (Her family says they never knew she could sing like that, let alone act!) After winning first place in the Tropicana Speech competition in primary school with a speech in memory of her grandfather. Shortly thereafter, she decided she wanted a career in journalism.

For those that know Kennedy, know she has a love for horses. She began riding at age 4 and as a teen donated her time to work with physically challenged youth who also shared a love for riding. As a participant, she successfully competed in the Southern Hunter Jumper Association's equestrian events for several years. Kennedy is the daughter of Anthony & Carmela Davis.

Peyton Davis

Peyton Davis is the son of Harry & Michele Davis, and great nephew of Susie Grosvenor. Peyton will graduate this week from Lawton Chiles High School. At Chiles he has been involved in tennis and golf and enjoys rounds with his dad. At Timberlane, Peyton has served in worship and in assisting the young boys as they pick up cards. His immediate plans are to attend Tallahassee Community College, then transfer to the University of North Florida.

Maddy Jamieson

Madelaine "Maddy" Jamieson is the daughter of Timberlane Pulpit Minister, Lee Jamieson and sweet wife Kathy. Maddy came to Tallahassee in 2014 and attended Lawton Chiles High School. With only one course remaining to graduate, she switched to the Florida Virtual School program to complete her high school education. She was active in the Theatre at Chiles, and in AP Art. She received an Excellent Award in Set Design at the International Thespian Festival. Maddy has been an active member of the youth group, attending youth service trips, camps, and Lads to Leaders. She earned first place in Art Says It, was on the 1st Place Puppet Team, earned 2nd place in Speech, and Platinum Good Samaritan. After serving in Panama on 4 teams, Maddy plans to attend Adventures in Missions in Lubbock, TX to learn more about how to do mission work (8 mo. program), then transfer to Tallahassee Community College. From there she plans to attend Florida State University studying Art Therapy and Psychology. She wants to also work in the campus ministry and developing the Campus Student Center in Tallahassee.

Caroline Parker

Caroline has been attending Timberlane for several years and was baptized last summer. Caroline has always loved animals and has a special affection for horses. She started riding when she was 6 years old, has been a member of the pony club locally and while in Texas, along with 4H. Until last year, Caroline wanted to be a Veterinarian, but now wants to study Nursing. She is compassionate and caring and likes to help people. An active part of the youth group, Caroline has been involved in trips to Rainbow Omega and Mt. Dora, coordinated a girls service project with Habitat for Humanity this summer, helped lead girls devotionals, helped in VBS, attends Serious Seekers regularly, and enjoys her time with Kalen. Caroline plans to attend TCC, then FSU and wants to be an active part of the new Campus Ministry & Student Center. She is the daughter of Michelle Parker and will graduate this week from Chiles High School.

Jessica Tate

From very early in her life, Jessica wanted to be grown up; barely able to walk, she emulated and preferred the company of adults. Still with a mature personality today, Jessica also readily embraces adventure, has a wonderful sense of humor, and simply loves to have fun. She has a servant-spirit and was allowed to work at Mt. Dora in 4th grade, has joined her family in many service projects, and is willing to try nearly anything. She enjoys the outdoors and loves to hike, paddle, and travel to and experience new places. Recognized for her talent in AP Art, she was in the Honors Chorus, plays the viola, and has a way with animals. Compassionate and caring, Jessica loves to serve the needs of children as well as adults, rendering over 700 hours of community service during high school. She designs and sews quilts for homeless children, and created hundreds of handmade greeting cards sent to Timberlane members and others for encouragement. Jessica completed 33 college credit hours while participating in dual enrollment. She graduates with honors with a weighted GPA of 4.16, and is a member of the National Honor Society. Jessica will start at Florida State University in the Fall, pursuing a degree in Exercise Science with a Pre-Med concentration. Jessica is the daughter of Kerry & Sandra Tate.

Becky Weitzel

Rebecca "Becky" Weitzel was born in Lake Forest, Illinois and moved to Tallahassee after second grade. She is the daughter of Linda Weitzel and the late Douglas Weitzel; the granddaughter of Jack and Eugenia Traylor. She is known as "Bug" because she was "cute as a bug" as a baby.

Becky has been involved in many Timberlane Youth Group activities and mission trips. Her favorite times were serving at Rainbow Omega and Mount Dora Children's Home. Becky likes to keep busy and has volunteered at the Humane Society and the Anderson Food Bank.

Becky will graduate Summa Cu Laude from Lawton Chiles High School with a weighted 4.5 GPA. Becky played varsity soccer at Chiles, was a member of the Art Club, and a member of National Honor Society. Becky will be attending the University of Florida in the fall, double majoring in Business and Accounting.
