

## Small Groups

### *It's Small Group Sign-up time at Timberlane!*

The goal of small groups is to improve our fellowship and study God's Word in informal, participative environments. Lessons will be provided so all will study the same topic. Please comply with the following guidelines:

#### **The sign-up process will close Sunday, September 10.**

- **EVERYONE IS WELCOME**, and all are encouraged to participate in this ministry
- Initially, we will have 10 groups and we will add groups if needed. One group will meet at the building for visitors and those preferring not to meet in homes.
- There will be a group meeting at the building, as well (NOT limited to 12)
- Each group should have 12 ACTIVE members
- Please sign up as **PARTICIPATING INDIVIDUALS**, not couples or families. List only those mature enough to participate in group discussions. Print first and last names clearly.
- We need multiple "Host Homes" in each group
- We need multiple men willing and able to lead the discussions
- DO NOT sign up below the 12<sup>th</sup> line, instead find a group with open spaces
- Meetings are scheduled from **September 17**, 2023 thru May 19, 2024. ***They will be held every first and third Sunday evenings.***
- Lessons will be provided to Group Leaders and Group members
- **PLEASE, PLEASE sign up for a DIFFERENT group** than before to meet more people and to avoid the perception or reality of cliques
- We ask that you not circumvent the process and potentially weaken the other groups.

*If you sign up, commit to attending and participating in the Small Group meetings.*
