Thank You Note for College Care Package

Timberlane family,
I understand there were some issues getting my care package to me and I thank Valerie James and my dad [Vaughn Poppell] for getting it delivered. I want to thank my entire Timberlane family for thinking of me in my last semester of college. All of the letters I received gave me the encouragement I needed to finish strong, and they reminded me that I'll always have a home with Timberlane. I promise to return back soon and I look forward to seeing everyone again.

With love, **Alexis Poppell**
