To many Christians the Biblical Scriptures, especially the Old Testament, can be familiar and poetically beautiful, yet can also be daunting to comprehend and at times seem irrelevant. It is so easy to get lost in the Old Testament laws, history, and genealogies. Like the disciples on the “Road To Emmaus” (Luke 24:13-27), we will take a journey through the entire Bible to discover Jesus permeating Scripture from the Creation in Genesis to the final Revelation of Jesus Christ in the New Testament.
