Communion Emblems are available for any watching online. Please contact the office.

Perimeter Security

The perimeter doors have been accidentally left open recently. The inside latches are often used to prop open the door without folks realizing that the position of the latch locks the door in place. Please double check these latches to ensure the door remains locked and secure. If the latch is in the unlock position, the door may still be opened despite the opposite door handle being locked.

That we might S.E.E., our family is dedicated to

**Seeking the lost,
Embracing them in God's love, and
Equipping them to serve Him.**
