

2024 Fall College Graduates

JIMMY LEE CROXTON III

Florida State University

Bachelor of Science in Electrical Engineering

Jimmy plans to move to St. Petersburg to work as a Project Engineer for Power Design. He is currently looking for housing in that area and a new congregation to worship with there.

TREVOR REED OLIVER

Florida State University

Bachelor of Science in Meteorology

Trevor plans to explore his interest in meteorology photography and he will continue to storm chase.
