Discovering Jesus throughout the Scriptures – Various Teachers

Auditorium
General Adult

To many Christians, the Biblical Scriptures, especially the Old Testament, can be familiar and poetically beautiful, yet can also be daunting to comprehend and at times seem irrelevant. It is so easy to get lost in the Old Testament laws, history, and genealogies. Like the disciples on the “Road To Emmaus” (Luke 24), we will take a journey through the entire Bible to discover Jesus permeating Scripture from the Creation in Genesis to the final Revelation of Jesus Christ in the New Testament.

Bible Marking and Keyword Study of John – Lee Jamieson, Jr.

HS Room
High School and Middle School

Studying the Bible can seem like a daunting task. The goal of this class will be to walk through a familiar text that has incredible theological depth and learn how to identify keywords as a helpful skill. Students will learn the key words/ phrases that John uses to convey the good news. They will learn how to mark the keywords too. Having an organized marking system can help with bible memorization, understanding the flow of a story just by looking at the page, engaging in the word, and learning how to go a little bit deeper than just reading. The class takes English Keywords specifically from the 1995 NASB (same translation that all TYM members receive on Promotion Sunday). This translation is not mandatory, however it may be difficult to follow along with a different translation. We have extra Bibles if a student does not have the same translation. Please bring to class highlighters, pens, and other study tools you normally use.

College: A Study of the Twelve Disciples of Christ – Various Teachers

College

The original twelve disciples were not the stoic figures often portrayed in works of art and statuary. Instead, we will discover how hopelessly ordinary, human, unremarkable, and flawed these men were, even in their time. Yet, these twelve men started with a small band of followers and, filled with the Spirit of God, transformed the world.
