Faulkner University Chorus Program & Host Families Needed

The **Faulkner University Chorus Program** will perform for us after evening services on **Sunday, January 11, 2026**. There will be an **abbreviated devotional service at 6pm**. After evening service, the chorus will perform for one hour. Then it will be followed by a fellowship meal in the Multipurpose Room. There will be a total of 32 people traveling (17 girls and 15 guys) and they need housing for all 32 people. The guys and girls travel in "packing partner" pairs. Families can host one (or more) same-gender pair(s). So a host family can volunteer to keep "two guys" or "four girls," etc. To sign up as a host family, please sign up at www.signupgenius.com/
