Thank You Note

Timberlane has long been known as an incredibly prayerful group of God's people who are quick to love and show heartfelt compassion. You never really know how much those prayers and support mean until you're the one receiving them. Harriet, the boys, and I want to send our deepest gratitude to so many of you who have reached out to check on us, sent cards and most of all, have prayed on our behalf. It's apparent that God has had His hand on us throughout this ordeal. From putting Harriet and I in the perfect place when I first fell ill to Him forcing me to be patient in my healing. Those of us that are most stubborn often need to be sent the strongest message. We are so grateful for your love and support. Much love in return, **Eric and Harriet Sespico**
